## SELF-INTRODUCTION

I'm Peter Cheng, a 3D Generalist.

I am a quick learner with curiosity for new experiences.

I am currently interested in the game development industry and am now working on a short comedy film exploring a toon anime style with a light story.

I like making friends, and I helped my friends a lot with their work and life. I have strong communication and teamwork skills.

I love playing individual games, watch anime, and playing guitar, I also like reading and writing things.
